

## ELEMENTAL ROYALTIES ADOPTS SHAREHOLDER RIGHTS PLAN

**December 31, 2021 – Vancouver, BC:** Elemental Royalties Corp. (“Elemental” or “the Company”) (TSX-V: ELE, OTCQX: ELEM) today announced that the board of directors of the Company (the “Board”) has approved the entering into and adoption of a shareholder rights plan agreement (the “Rights Plan”) by the Company.

The Rights Plan is being adopted to ensure that, in the event of a take-over bid, all shareholders of the Company (“Shareholders”) will be treated fairly and will not be subject to abusive or coercive take-over strategies. Further, the Rights Plan is not intended to prevent or interfere with any action with respect to the Company that the Board determines to be in the best interests of Shareholders. The Rights Plan is similar to plans recently adopted by other Canadian companies and approved by their respective shareholders.

The Rights Plan has been adopted in connection with the announcement by Gold Royalty Corp. (“Gold Royalty”) of its intention to make an unsolicited all-share offer valuing Elemental at C\$1.78 per share to acquire all of the issued and outstanding shares of the Company (the “Shares”). The Company previously announced that it intends to recommend that Shareholders reject the unsolicited all-share take-over bid by Gold Royalty, if and when the bid is commenced, assuming it is on the terms described in Gold Royalty’s intention announcement.

In connection with the adoption of the Rights Plan, the Board authorized the issuance of one Share purchase right (a “Right”) in respect of each Share outstanding as of the close of business on December 30, 2021 (and each Share issued thereafter, subject to the limitations set out in the Rights Plan). No separate certificates will be issued for the Rights unless an event triggering the exercise of the Rights occurs.

The Rights will become exercisable only when a person (an “Acquiring Person”), together with its affiliates, associates and joint actors, acquires or attempts to acquire beneficial ownership of 20% or more of the outstanding Shares without complying with the “Permitted Bid” provisions of the Rights Plan or without approval of the Board. Should such an acquisition occur or be announced, each Right would, upon exercise, entitle the holder thereof (other than the Acquiring Person and its affiliates, associates and joint actors) to purchase Shares at a 50% discount to the market price at the time. The Rights Plan provides that the Rights are redeemable by the Company in certain circumstances.

The Rights Plan is effective immediately but is subject to ratification by Shareholders at the 2022 annual meeting of Shareholders expected to be held in June, 2022. If the Rights Plan is not ratified by Shareholders at the 2022 annual meeting of Shareholders, the Rights Plan will terminate and all rights issued thereunder will be cancelled. The Rights Plan is also subject to approval of the TSX Venture Exchange (the “TSX-V”). A copy of the Rights Plan will be filed under the Company’s profile on SEDAR at [www.sedar.com](http://www.sedar.com).
